

Please help to develop our play

At Little Snoring Primary Academy we are always looking at how to enhance the lives of our children. One of the ways we are currently looking at, is how we can develop play for all the children in our school. Play is vital for children's development and there is lots of research out there which proves this point. We want to enrich our playtimes further and I wonder if you could please help.

On the following pages you will find items that we can use with the children which will help to develop and enhance their experiences both in lesson times and at playtimes.

Please take a moment to look through our list and see if there is anything you could donate to support the young people in our community—it may even help you have a bit of a declutter too!

You may have other things that are not on our list that you think may would be useable.

Please if you think you could help us in any way please call the school on 01328 878362. Thank you so much for considering helping our children.

Tyres

Crates

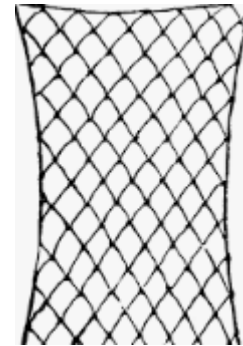

Ribbon
